

Workplace Donations

Matching Gifts

Matching gifts are a great way to double - possibly even triple – gifts to Sitike Counseling Center.

Those who work for (or have retired from) one of the many companies that will match employee donations to Sitike will simply need to contact your company's matching gift office (usually the HR department or division management, unless the company has a foundation or a philanthropy/community support office). Request a matching gift form (this will help us properly process their donation), and send it with your donation. When we get the form, we will notify your employer and when your gift is matched, we will let you know.
